SUBJECT INDEX TO VOLUME 159

January–December 1994

A

Acquired immunodeficiency syndrome
  active duty sex offenders
    case for mandatory HIV testing, 386
  WESTPAC, the Navy, and
    editorial, 171
Adaptation
  Army wives
    Operations Desert Shield and Desert Storm, 43
Adenocarcinoma, prostatic
  diagnosis
    proliferative activity, as adjunct to, 91
Adenoma
  ampulla of Vater
    benign, obstructive jaundice presentation, case report, 471
Advanced practice nurses
  needs assessment
    uniformed services, 650
Aeromedical evacuation
  C-130
    multi-port suction device, 147
Aging
  impact on cancer mortality
    war on cancer, 282
  pilot evaluation
    evidence, policy, and future directions, 83
Air Force
  Academy
    vaginal childbirth, early discharge of mothers and infants, three-year study, 227
  aviation community
    vision readiness, 432
  officers
    fitness level prediction, cycle ergometry validation, 175
  optometry
    cost effectiveness, 383
  Travis AFB
    Exceptional Family Member Program, model for interdisciplinary care, 608
Akathisia
  drug-induced
    subjective experience versus objective findings, 286
Alcohol
  abuse potential
    Short Michigan Alcoholism Screening Test, Army reservists, 595
Ampulla of Vater
  benign adenoma
    obstructive jaundice presentation, case report, 471
Amputation
  leg
    22 years after vascular surgery, Vietnam veteran, case report, 718
Amputees
  injuries and rehabilitative needs
    Operation Desert Storm, 635
AMSUS
  100th Annual Meeting
    San Antonio, 14–19 November 1993, A6(4)
Amytal
  interview
    conversion disorder treatment, three case reports, 350
Anaphylactic reaction
  to radiographic contrast
    recurrent hematuria from, case report, 347
Anesthesia
  field hospital audit
    Northern Iraq, 86
  Ohmeda UPAC draw-over vaporizer
    modern operating room adaptation, 600
Angiokeratoma
  scrotum
    varicocele and, lack of association, 523
Ankle
  early mobilization-part I
    acute, lateral sprains, immediate effect, clinical trial, 15
  early mobilization-part II
    acute, lateral sprains, one-year follow-up, 20
Ankyloglossia
  transverse-vertical frenuloplasty
    case report, 714
Annual Meeting highlights, A26(4)
Anticoagulants
  cervical cancer
    unusual cutaneous reaction, case report, 252
Antidepressants
  drug-induced akathisia
    subjective experience versus objective findings, 286
  therapy
    letter, A10(7)
Anxiety
  depression and
    psychiatric medications, deployment, 647
  draftees
    adjustment disorder, cognitive-behavioral therapy, Israel, 612
  magnitude assessment
    first oxygen treatment, hyperbaric chamber, adults, 412
Army
  active duty soldiers
    dental care satisfaction, 501
  Army Nurse Corps
    nursing research evolution, 680
  aviation personnel
    duty restrictions analysis, Republic of Korea, 242
  combat support hospital
    inpatient experience, Operations Desert Shield and Desert Storm, 746
  combat support post
    Operation Desert Shield, deployment and social problems, 246
  Community Hospital
    nursing service, forecasting and costing, quantitative method, 210
  dental auxiliaries
    expanded function, training quality and adequacy, 562
  dental care system
    dental continuing education, perceived needs, 1
  emergency medicine physician assistants, 241
  Family Practice residency program graduates
    career retention rates and predictors, 516
  Humanitarian Medical Mobile Training Team
    rehabilitation advisors, El Salvador, 341
  Irwin Community Hospital
    laparoscopic cholecystectomy, initial experience, 306
  Medical Department
    clinical case management, 548
    Fort Leonard Wood Community Hospital, Department of Nursing reorganization, need for efficiency, 313
  medical treatment facilities
    patient attitudes, utilization patterns, 686
    senior leaders, skills/knowledge/abilities prediction, FORECAST 2000, 494
  primary care
    mental health services, collaborative health care agenda need, 203
  reserve units
    medical treatment lessons, annual training, 381
  soldiers
    health goals, Fort Belvoir, 318
  Tripler Medical Center
    laparoscopically assisted vaginal hysterectomy, 429
  two hospitals
    organizational downsizing and closure, 224
  U.S. Reserve optometry mobilization
    Operations Desert Storm and Desert Shield support, 442
  wives
    adaptation patterns, Operations Desert Shield and Desert Storm, 43
Aspiration
  fine needle
    palpable breast masses, immediate cytologic interpretation, OB/GYN residency training program, 736
Asthma
  exacerbation
    after pyridostigmine administration, Operation Desert Storm, 108
Auditory brainstem
  response
    effect of impulse noise, fetal sheep and adult ewe, case study, 676
Austere military medical care
  graded response, 196
Aviation
  U.S. Army personnel
    analysis of duty restrictions, Republic of Korea, 242
Aviation Officer Candidate's School
  effect on aerobic and anaerobic fitness, 118
Aviators

recurrent erythema nodosum
case report, 534

B

Back
Healthy Back Program
U.S. Navy, recruit back knowledge, 475
Bacteria
gram-negative
beta-lactamase induction in, key to resistance, 732
Basic training
infantry
success predictors, 616
overuse injuries
recruits, 421
Beta-lactamase induction
in gram-negative bacteria
key to resistance, 732
Biliary tract disease
pancreatitis and
parasitic causes, mobile population, 331
Blindness
preventable
VA outpatient clinic, prevalence, 10
Blood
ABO type
correlation with glucose-6-phosphate dehydrogenase deficiency, case report, 664
frozen red cells
combat casualty care, clinical/logistical considerations, 392
Blood studies
routine 36-week hemoglobin and hematocrit
pregnant women, necessity of, 201
Body mass index
low back pain and, 37
Bombs
injury
U.S., case report, 536
Book reviews, A4(2), A5(10), A5(11)
Bouveret's syndrome
malignant cholecystoduodenal fistula
rare consequence, case report, 755
